

Parent Information and Volunteer Policy Commitment

Vernon Vortex Speed Skating Club is a collection of parent volunteers. As these volunteers perform all duties, we must ensure a minimum level of commitment from each member.

At this time, the Board of Directors has established the following expectations for all members. These include:

- All members shall arrive to the rink with their child and spend time prior to the beginning of the ice session putting MATS and WATER out onto the ice. This requires a helmet and will be the responsibility of the member to have one.
- All members shall assist with the removal of the MATS and WATER prior to leaving with your child.
- All members are expected to have their child on the ice and ready to participate at the designated start time of the session. This means arriving early to ensure your child is not late. It is important for kids to be warmed up prior to program sets.
- All members are required to volunteer for the various activities and events throughout the season. More information to be provided as the season commences.
- All members must pay a \$100 volunteer deposit fee with registration. Failing to volunteer will result in the forfeiting of the \$100. Otherwise, all volunteer commitments completed will receive a Club cheque in the amount of \$100 at the end of the season.
- All members must complete the registration package in full, sign this expectation/commitment form, and hand in this package together with payment prior to the end of the registration night. Skate rentals and associate member fees will be required with the first instalment, if more than one cheque is being issued. The first instalment is calculated as half of the total amount, plus rentals, plus member fees, plus BCSSA/SSC fees.
- All members are required to register their skaters and one associate member (one parent) with the BCSSA online website prior to the first night of skating. Any skaters not registered on this site prior to the first skating night will not be allowed on the ice for insurance purposes.
- REFUND POLICY: Cancellation of registration requires written notice to the Board prior to November 1st. NO REFUNDS will be given for cancellation of registration after November 30th.

I have read and understand the above statements and agree to fulfill my obligation to the Club.
